

Fit for the future

Is your farm business ready for the challenges ahead?

Change is always inevitable but Brexit is likely to accelerate change. Ensure your business is fit for the future.

We can help by offering you a free, no obligation visit to review your objectives, the key resources of your business and to give you initial ideas to help maintain or strengthen your business for the future.

Butler Sherborn can help you consider:

- Opportunities for planning & development
- Diversification
- Land occupation and farming structures
- Energy & renewables
- Property letting opportunities
- Succession & Inheritance planning
- Grants & subsidies
- Property sale or acquisition
